Advance charges may be paid by company check or credit card. A credit card guarantee is required regardless of the method of payment. No checks will be accepted at show site. You agree to allow us to charge the above credit card (including past due) if the full balance has not been paid. At the conclusion of the show, and upon your request, a complete invoice (subject to revisions for move-out labor, etc.) will be prepared and given to you reflecting all charges and payments. By signing below, the Cardholder acknowledges receipt of goods and or services in the amount of such invoice and agrees to perform the obligations set forth in the Cardholder's Agreement with the issuer. Refunds cannot be given after the close of the event on items or services ordered but not received. Orders cancelled before set-up will receive a 50% refund. No refund can be provided once installation begins. Accounts past due are subject to a monthly charge of 1.5% (annual rate 18%) and all costs of collections including reasonable attorneys' fees. Rental items are only for the Exhibiting entity who has properly completed our rental forms and may not be sub-rented, "loaned" or given to other Exhibitors. If you do not need items rented or provided in a package, please contact AEX for removal. Booth inventory is conducted daily and items not rented from AEX will either be removed or charged to the Exhibiting company with improper possession. **Note:** All services including Material Handling, are taxable in the State of New Jersey. Our tax ID number is: 223125223

**LIMITS & LIABILITIES AND TERMS AND CONDITIONS
BY USING OUR SERVICES OR SIGNING THE AGREEMENT TO TERMS AND CONDITIONS, YOU AND YOUR
COMPANY AGREE TO THE FOLLOWING**

DRAYAGE/FREIGHT RATES APPLY to each pound with a minimum (see Material Handling Order Form for actual minimum) and are based on the actual or estimated **INBOUND** weight. No allowance will be made for weight reductions during the event. Each shipment is considered separately. NO cumulative weights will be allowed on minimums, split shipments, etc.

SHIPMENTS OF EQUIPMENT REQUIRING SPECIAL HANDLING at the facilities will be subject to a surcharge as indicated on the freight rate schedule. This classification shall be applied to, but not limited to, van line shipments or shipments which are packed in such a manner as to require unloading by hand (e.g., loose display parts, uncrated equipment, etc.) Material will be unloaded from vans, exhibitor's truck, or trucks of others at the facility, delivered to the Exhibitor's booth, picked up at the close of the show, moved to the loading area and reloaded. The Exhibitor must provide written and accurate weight information on each shipment. Shipments received without Certified Weight Tickets or Bills of Lading, such as UPS, Fed. Ex. or U.S. Mail, will be delivered to the booth without guarantee of piece count or condition. AEX Convention Services assumes no liability for such shipments.

SPECIAL SERVICES AND RATES - Steel banding for the packing of displays and equipment is available at the AEX Convention Services service desk for \$2.00 per linear ft. plus labor at prevailing rates. Forklifts and drivers are available for spotting equipment in the booth at prevailing rates for equipment and labor. Shrink-Wrap is available at a flat rate of \$55.00 per 4'x4'x4' pallet, thereafter pro-rata.

EMPTY CONTAINER STORAGE - Properly labeled empty containers of freight handled by AEX Convention Services will be removed and returned to the booth; "empty" labels will be available at the service desk. Affixing labels is the sole responsibility of the Exhibitor or representative who must remove or obliterate all old labels. AEX Convention Services assumes no responsibility for containers with old empty storage labels or without AEX Convention Services labels, improper information on empty labels or valuables stored in such containers. Handling of empty containers of freight not brought in by AEX Convention Services will be charged \$25.00 per box or crate each way.

OUTBOUND SHIPPING INSTRUCTIONS should be given to AEX Convention Services once shipment is packed and ready to be loaded. All bills of lading and shipping instructions covering outbound shipments will be checked at the time of actual loading and corrections made where discrepancies exist. Freight remaining on the exhibit floor without proper instructions for disposition will be removed by AEX Convention Services and shipped with the information available at the time using a carrier of AEX Convention Service's choice or at our sole discretion brought to AEX's warehouse, where storage and handling will be charged for such items. AEX Convention Services will not be liable for shipping errors. The condition, count, and contents of the materials found in the booth at the time of actual removal will be final and binding and the right is reserved to alter exhibitor's bill of lading to reflect actual condition, count, and content found.

LIMITATIONS OF LIABILITY - AEX Convention Services IS NOT responsible for damage to materials improperly packed, concealed damage, loss or theft of Exhibitors' material after same has been delivered to your booth, or before materials have been picked up for loading out of the booth. AEX Convention Services makes no warranties or claims except as may be set forth in these terms and conditions. No oral modifications may be made to these terms. Regardless of your claim, AEX Convention Service's liability with respect to your freight or any damage whatsoever, is limited to \$.30 per pound/per article, with a maximum of \$50.00 per item, and a maximum of \$1,000.00 per shipment, even in the event of AEX Convention Service's negligence. AEX's liability for any damages whatsoever when you hire us for supervised installation/dismantle is limited to the actual cost for supervision.

EXHIBIT LOSS OR DISAPPEARANCE - AEX Convention Services and its subcontractors ARE NOT responsible for loss or disappearance of Exhibitor's material after such material has been delivered to the Exhibitor's booth. Relative to inbound shipments, there may be a lapse of time between the delivery of shipment(s) to the applicable booth by AEX Convention Services or its subcontractors, and the arrival of Exhibitor's representative at the booth. During such time the shipment(s) will be left unattended in the booth. AEX Convention Services or its subcontractors shall not be responsible for any loss or damage that may occur during such a period.

Similarly, AEX Convention Services and its subcontractors ARE NOT responsible for loss or disappearances of Exhibitor's material before Exhibitor's material is picked up from the Exhibitor's booth for loading after the exhibition. All bills-of-lading covering outgoing shipment that are given to AEX Convention Services by the Exhibitor will be checked at the time of pick-up from the booth, and corrections will be made at such time if discrepancies exist. Relative to outgoing shipments, it is possible that there will be a lapse of time between the completion of the packing and the pick up material from the booths for loading. AEX Convention Services and its subcontractors are not responsible for any loss or damage that may occur during such period.

DISPUTES - In the event of any dispute between an Exhibitor and AEX Convention Services relative to any loss or damage to such Exhibitor's material, such Exhibitor shall not be entitled to and shall not withhold payment of any amount due to AEX Convention Services for services or rentals provided as any offset against the amount of any alleged loss or damage. Instead, such Exhibitor shall pay AEX Convention Services for any rental or services and Exhibitor may pursue any claim against AEX Convention Services independently. No claims for loss or damage will be considered until payment in full for all services performed by AEX Convention Services has been received.

INSURANCE - Exhibitors agree to carry all-risk floater insurance covering their material against damage, loss, theft and all hazards which covers from the time shipment is made prior to show until shipments are returned to Exhibitor after the show.

We require full payment with order for rentals, service, tax and anticipated freight. This form, with your credit card information for payment of advance and show site orders, must be completed, mailed or faxed to AEX Convention Services in order for us to provide any rentals or services. Full payment must accompany your order to qualify for the discounted rates. A \$35.00 surcharge will be added to your account if any credit charges are denied or if any checks are returned. Unpaid account will accrue a service charge of 1.5% per month. Exhibitor agrees to be responsible for all fees connected with the collection of its accounts.

- **Labor rates are subject to labor contract effective at time of show.**
- Labor before 8:00am and after 4:30pm and Saturdays, Sundays and holidays will be at the overtime rate.
- Electricity Labor Rates: \$113.00 per hour Regular Time, \$226.00 per hour Overtime. Labor is billed in half-hour increments with a minimum of one hour. Dismantle labor is half that of the total installation labor. Overtime labor will be charged for shows closing @ 2pm.
- Forklift Rates: prevailing labor rates (one hour minimum) plus \$275.00 forklift rental.
- Starting time can only be guaranteed when labor is requested for the start of the working day at 8:00am. The minimum charge per booth is one hour for installation and one-half (1/2) hour for dismantle. Time will commence per exhibitor's request. Failure to start labor at requested time will result in a one hour charge per electrician requested, unless 24-hour advance notice is provided in writing.

Supervision is required on larger or Island booths.

OUTLET LOCATION & DISTRIBUTION

- All 110 volt electrical outlets will be installed on the floor at the draped backwall of inline and peninsula booths.
 - All 110 volt electrical outlets for island booths will be set at one main location on the perimeter of the booth at our discretion if no floor plan provided. Labor is necessary in all Island booths.
 - Any additional power locations are chargeable on a time and material basis.
 - Distribution and connection of outlets are chargeable on a time and material basis. Please call regarding placement of 208 volt outlets.
- All services larger than 100 amps may be subject to an additional labor charge.

ELECTRICAL CODE

Electrical requirements for an exhibit at all convention facilities are for the safety of all exhibitors and are based on national electrical codes and local ordinances.

Too frequently, fires have been traceable to faulty wiring, sometimes because of carelessness and sometimes because of lack of understanding of the risks involved.

In the interest of public safety, exhibits at all convention facilities may be inspected to determine if any violations exist. If they are found, qualified electricians are available to correct the problem. This work will be performed on a time and material basis.

If the exhibitor does not wish to have the fault corrected, electrical service to the offending booth will not be connected.

If an exhibitor is not informed or does not understand basic safety standards for electrical wiring, an electrician should be consulted before shipment is made to convention facilities.

Serious risks are involved which can be eliminated by understanding basic requirements of safe wiring inside your booth.

For the safety of you and the public, remember these points:

- All wiring must have a 3-wire grounded cord with a minimum of #14 gauge.
- Spot or flood lighting is a hazard when lamps are too close to fabrics or other material which can be affected by heat.
- The use of clip-on sign sockets, latex or lamp cord wire in displays, or the use of 2-wire clamp on fixtures, is prohibited by order of fire prevention bureaus at trade shows and conventions.
- Zip cords or two-wire cords are ungrounded and could result in safety hazards. Their use is forbidden in all convention facilities. **Please leave all 2-wire cords at home!**

USE TIMESAVING WIRING METHODS AND DISTRIBUTION SYSTEM

Whenever possible, in conformance with the electrical code, use multiconductor interconnecting cables with approved quick-connect plugs or fittings. Here is a list of the plugs that match our equipment receptacles:

- 15 amp 120 volt: Standard U-ground cord cap
- 20 amp 208 volt 1Ø or 3 Ø: Leviton 3521-C non nema
- 30 amp 208 volt 1Ø or 3 Ø: Leviton 3521-C non nema
- 60 amp 208 volt 1Ø or 3Ø: Daniel Woodhead Trade Show Plug Y560P
- 100 amp 208 Volt 1Ø or 3Ø: Litton Veam Trade Show Plug CIRO1GRH

Exhibitors who require many standard outlets may wish to incorporate a power distribution system into their booth. Please contact our staff if you need more information. Initial hook up to distribution system and all distribution from system both 208 and 110 volt to be done by our staff.

COMMONLY ASKED QUESTIONS

Where will my outlet be located?

There are four different types of trade show booths: Line booths, Peninsula Booths, Back-to-Back Peninsula Booths, and island booths. Each type of booth has its own standard methods of installation. In the following diagrams, the symbol ☒ represents the approximate location of power outlets.

Line Booths

Peninsula Booths

Back-to-Back Peninsula Booths

Island Booths

Line Booths, Peninsula Booths, or Back-to-Back Peninsula Booths : Your pre-ordered electrical outlet will be installed at the rear of your booth, at the drape line.

Island Booths : Your electrical outlet will be placed on the perimeter at one location at our discretion if no floorplan is submitted. Multiple outlet locations will be charged on a labor and material basis. All other distribution will be done on a time and material basis. ALL POWER IN THIS FACILITY ORIGINATES IN THE FLOOR. IF AN OVERHEAD DROP IS SPECIFICALLY REQUESTED, THERE WILL BE ADDITIONAL CHARGES FOR THE LABOR, LIFT, AND CABLE REQUIRED TO RUN THE OVERHEAD CONNECTION.

How much power will I need?

Calculate your lighting needs by adding wattage in each location. For other equipment, read the ratings from the metal plates attached to each unit.
